Reitzel Brothers, Inc. is a full service landscape, irrigation, and lawn maintenance company. Our services include the design, installation, and maintenance of all landscapes including hardscapes, irrigation systems, and low voltage lighting systems. We have been serving the Charlotte area and surrounding counties for over 25 years.

Our company consists of several full-time maintenance crews, installation crews, irrigation crews, and supervisors that may always be reached by cell phone or radio. We employ year-round and maintain a fleet of diversified equipment for all jobs. We have a full range of mowers, loaders, tractors, Dingos, and trenchers. Our vehicle fleet includes a variety of trucks including a dump truck for hauling large loads.

We are fully insured and maintain several business licenses in the Carolinas. We have a landscape contractor's license, irrigation contractor's license, and a plumbing license to handle permitting of irrigation backflows and testing certifications to ensure our work is done properly. Our pesticide technician is licensed for lawn, ornamental, and right-of-way applications of everything from weedkillers to fertilizers.

The principal owners of Reitzel Brothers, Inc. are Chris Reitzel and Raymond Reitzel. Born and raised in Charlotte, we have all our family here and are proud of the relationships that have been developed with all our customers, property managers, builders and developers in the area. RBI was built on the promise of doing the job well and on time. We are proud of the accomplishments we have made by doing whatever is necessary to meet the deadline and take care of our customers.

Our office may be reached by mail at PO BOX 728, Paw Creek NC 28130, by phone at 704-523-7676, by fax at 704-523-5656, or by e-mail at Reitzel@ReitzelBrothers.Com.
